Kurzbeschreibung

Hot Shots Almost a magazine, however an illustrated book. We have created a new, high-quality illustrated photobook series in a modern outfit of the very best photobook quality, yet at a starter's price. Photographs of men of various styles will now appear in Hot Shots at regular intervals. The exciting erotic topics are presented in an optically most innovative design arousing a fancy for more. The quick sale resulting from low prices and convincing quality is guaranteed. Synopsis

In this collection of postcards in a pocket-sized illustrated book, Michael Reh creates a Mediterranean atmosphere through the use of sun, shade, water and sand. The photos are enshrouded with a hint of fresh eroticism designed to call up daydreams of a summer day in the midst of attractive men.
