Format: Kindle eBook

Kurzbeschreibung

Innkeeper Chronicles #2

Dina DeMille doesn't run your typical Bed and Breakfast. Her inn defies laws of physics, her fluffy dog is secretly a monster, and the only paying guest is a former Galactic tyrant with a price on her head. But the inn needs guests to thrive, and guests have been scarce, so when an Arbitrator shows up at Dina's door and asks her to host a peace summit between three warring species, she jumps on the chance.

Unfortunately, for Dina, keeping the peace between Space Vampires, the Hope-Crushing Horde, and the devious Merchants of Baha-char is much easier said than done. On top of keeping her guests from murdering each other, she must find a chef, remodel the inn...and risk everything, even her life, to save the man she might fall in love with. But then it's all in the day's work for an Innkeeper...

"Andrews is an auto-buy no matter what the genre!" —*Romantic Times*

"If there is one author that defines Urban Fantasy, it is Ilona Andrews." —*Annie Tegelan, Fresh Fiction*

"One of the brightest voices in urban fantasy and one of my favorite authors. Ilona Andrews delivers only the best." —*New York Times bestselling author Jeaniene Frost*

Über den Autor und weitere Mitwirkende

New York Times Bestselling author Ilona Andrews is the pseudonym for a husband-and-wife writing team. Ilona is a native-born Russian and Gordon is a former communications sergeant in the U.S. Army. Contrary to popular belief, Gordon was never an intelligence officer with a license to kill, and Ilona was never the mysterious Russian spy who seduced him. They met in college, in English Composition 101, where Ilona got

a better grade. (Gordon is still sore about that.) Gordon and Ilona currently reside in Portland with their two children, three dogs and a cat. They have co-authored two series, the bestselling urban fantasy of Kate Daniels and romantic urban fantasy of The Edge. You can read more about their work on their website: <http://www.ilona-andrews.com>
