Kurzbeschreibung

The unmissable first novel from bestselling and award-winning author of THE FAULT IN OUR STARS.Miles Halter is fascinated by famous last words – and tired of his safe, boring and rather lonely life at home. He leaves for boarding school filled with cautious optimism, to seek what the dying poet Francois Rabelais called the "Great Perhaps." Much awaits Miles at Culver Creek, including Alaska Young. Clever, funny, screwed-up, and dead sexy, Alaska will pull Miles into her labyrinth and catapult him into the Great Perhaps.Looking for Alaska brilliantly chronicles the indelible impact one life can have on another.From School Library Journal

Grade 9 Up - Sixteen-year-old Miles Halter's adolescence has been one long nonevent - no challenge, no girls, no mischief, and no real friends. Seeking what Rabelais called the "Great Perhaps," he leaves Florida for a boarding school in Birmingham, AL. His roommate, Chip, is a dirt-poor genius scholarship student with a Napoleon complex who lives to one-up the school's rich preppies. Chip's best friend is Alaska Young, with whom Miles and every other male in her orbit falls instantly in love. She is literate, articulate, and beautiful, and she exhibits a reckless combination of adventurous and self-destructive behavior. She and Chip teach Miles to drink, smoke, and plot elaborate pranks. Alaska's story unfolds in all-night bull sessions, and the depth of her unhappiness becomes obvious. Green's dialogue is crisp, especially between Miles and Chip. His descriptions and Miles's inner monologues can be philosophically dense, but are well within the comprehension of sensitive teen readers. The chapters of the novel are headed by a number of days "before" and "after" what readers surmise is Alaska's suicide. These placeholders sustain the mood of possibility and foreboding, and the story moves methodically to its ambiguous climax. The language and sexual situations are aptly and realistically drawn, but sophisticated in nature. Miles's narration is alive with sweet, self-deprecating humor, and his obvious struggle to tell the story truthfully adds to his believability. Like Phineas in John Knowles's *A Separate Peace*(S & S, 1960), Green draws Alaska so lovingly, in self-loathing darkness as well as energetic light, that readers mourn her loss along with her friends. - *Johanna Lewis, New York Public Library*

An ALA Best Book for Young Adults Top 10

An ALA Quick Pick for Reluctant Young Readers

A 2005 *Booklist* Editors' Choice

A *Kirkus* Best Book of 2005

A 2005 *SLJ* Best Book of the Year

A New York Public Library Book for the Teen Age

"What sets this novel apart is the brilliant, insightful, suffering but enduring voice of Miles Halter."

--*Chicago Tribune*

"Funny, sad, inspiring, and always compelling." --*Bookpage*

"Stunning conclusion . . . one worthy of a book this good." --*Philadelphia Inquirer*

"The spirit of Holden Caulfield lives on." --*Kliatt*

"What sings and soars in this gorgeously told tale is Green's mastery of language and the sweet, rough edges of Pudge's voice. Girls will cry and boys will find love, lust, loss and longing in Alaska's vanilla-and-cigarettes scent." *Kirkus*, starred review

"Miles's narration is alive with sweet, self-deprecating humor, and his obvious struggle to tell the story truthfully adds to his believability. Like Phineas in John Knowles's *A Separate Peace*, Green draws Alaska so lovingly, in self-loathing darkness as well as energetic light, that readers mourn her loss along with her friends." --*SLJ*, starred review

"...Miles is a witty narrator who manages to be credible as the overlooked kid, but he's also an articulate spokesperson for the legions of teen searching for life meaning (his taste for famous last words is a believable and entertaining quirk), and the Colonel's smarts, clannish loyalties, and relentlessly methodological approach to problems make him a true original....There's a certain recursive fitness here, since this is exactly the kind of book that makes kids like Miles certain that boarding school will bring them their destiny, but perceptive readers may also realize that their own lives await the discovery of meaning even as they vicariously experience Miles' quest." --*Bulletin of the Center for Children's Books*, starred review

"Readers will only hope that this is not the last word from this promising new author." --*Publishers Weekly*

"John Green has written a powerful novel—one that plunges headlong into the labyrinth of life, love, and the mysteries of being human. This is a book that will touch your life, so don't read it sitting down. Stand up, and take a step into the Great Perhaps."

—K.L. Going, author of *Fat Kid Rules the World*, a Michael L. Printz Award Honor Book
